## INSTRUCTIONS FOR USE AND STORAGE

### Instructions for use :

- It is recommended to pre-test the gloves, as the actual conditions of use may differ from those of the "EC" tests. Performance levels are only guaranteed on the palm of the glove when new.
- Wear gloves on dry, clean hands.
- Do not use gloves in contact with a chemical product for longer than the measured permeation time. Refer to the website [www.europrotection.com](http://www.europrotection.com)
- In use with a dangerous liquid, turn the cuff edge over to prevent drops from falling on the arm.

### Storage instructions :

- Keep gloves away from light, moisture and sources of heat.

### Cleaning instructions :

- The washing of the gloves varies according to the materials of the product. See the recommendations on the package leaflet.
