TECHNICAL FEATURES

Gauge 24

Fabrics	Made from unbleached interlocked cotton 40 g	Type Of Cuff	Knit wrist
Exterior Finish	Smooth	Construction	Cut and sewn

INSTRUCTIONS FOR USE AND STORAGE

Instructions for use :

- It is recommended to pre-test the gloves, as the actual conditions of use may differ from those of the "EC" tests. Performance levels are only guaranteed on the palm of the glove when new.
- Wear gloves on dry, clean hands.
- Do not use gloves in contact with a chemical product for longer than the measured permeation time. Refer to the website www.europrotection.com
- In use with a dangerous liquid, turn the cuff edge over to prevent drops from falling on the arm.

Storage instructions :

- Keep gloves away from light, moisture and sources of heat.

Cleaning instructions :

- The washing of the gloves varies according to the materials of the product. See the recommendations on the package leaflet.
