MO4600

TECHNICAL FEATURES

Fabrics	Kevlar 2-fine thread, seamless knit	Supplement information	33 g, size 9 for men
Complement cuff	Elastic wrist	Type Of Cuff	Knit wrist
Exterior Finish	Smooth	Construction	Seamless knitting

INSTRUCTIONS FOR USE AND STORAGE

Instructions for use :

- It is recommended to pre-test the gloves, as the actual conditions of use may differ from those of the "EC" tests. Performance levels are only guaranteed on the palm of the glove when new.
- Wear gloves on dry, clean hands.
- Do not use gloves in contact with a chemical product for longer than the measured permeation time. Refer to the website www.europrotection.com
- In use with a dangerous liquid, turn the cuff edge over to prevent drops from falling on the arm.

Storage instructions :

- Keep gloves away from light, moisture and sources of heat.

Cleaning instructions :

- The washing of the gloves varies according to the materials of the product. See the recommendations on the package leaflet.

LEGISLATION

This glove conforms to the personal protective equipment model covered by the EC type-examination certificate. **2777/11512-01/E04-01**.
Delivered by **SATRA (2777)**.
