

SIZES AND REFERENCES

Dimensions	Ref	Bar Code
60cm x85cm	56640	3435241566409

GENERAL DESCRIPTION AND MATERIALS

- Cut-resistant and heat-resistant apron
- Adjustable neck link
- 2 adjustable links with clip at the waist
- Fiber TAEKI®, grey color
- 26cm wide bib

SPECIFIC ADVANTAGES

- High abrasive resistance
- Excellent cut-resistance
- Washable, lint free
- Heat contact resistance until 100°C
- UV resistance, keeps his properties in contact with light

MAIN APPLICATION FIELDS

- Automotive industry
- Food industry
- Glassware, mirrors
- Welding, Foundry
- Cleaning industry

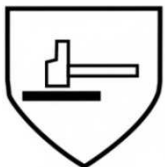

PACKING METHOD

- Packed by 10
- Carton with **100 pieces**

CE STANDARDS

Made in TAEKI5® fibers, fabric with the following general performances:

EN 388:2003

454X

- Abrasive resistance = 4/4
- Cut-resistance = 5/5
- Tear-resistance = 4/4
- Puncture resistance = X/4

EN 407:2004

X1XXXX

- Burning Behaviour= X/4
- Contact Heat= 1/4
- Convective heat= X/4
- Radiant Heat= X/4
- Small molten metal splashes= X/4
- Large molten metal splashes= X/4
